**1.2.64**
**a Lesson in the University of The New Covenant**
Theodore Cottingham, May 10, 2004

1. I will speak and I will speak profusely at WeekWorks and you will watch Me, you will hear Me, you will see Me and you all will become increasingly Me, taking steps, tangible steps—leaps of faith and tangible reality—to see Me and operate in My New Covenant, My New Covenant that is truth, truth, truth beyond the truth that you've had, truth beyond that which you have been told, truth of truth, foundation of bedrock of truth. I love you and I give you Me.

Thank you for willing to become more Me, and become Me more so that My people can see Me through you, can hear My words through you, and become more mature in Me. I love you and I give you Me. I give you Me. I give you Me. I give you all of Me and withhold none of Myself from you.

2. Now stand and arise and fear not. I come and I call and I am there and I am with you and **I will direct, I will correct, and I will connect**; and I will set free and I will bliss, bliss some at times, and I will heal, I will heal, I will heal. I will heal so many things of the past, and reputations will be plenty where I correct things that have been set aside, set aside because they were thought not of Me.

3. Not knowing My value systems is costly, more costly than the cost to know them and to know Me, and to know Me deeply, to know Me freely, and to know Me in freedom. I love you.

4. Watch Me, watch Me, watch out for Me at every corner and every turn and every session. I will come. Record, yes. Show Me, show Me, show Me to others and let Me be Me. Show My value systems, show My creativity, show My tangible reality and let Me be Me. Just let Me be Me, putting the hand of each one in My hand and I will lead, guide, direct; coerce not; compel gently, lovingly, tenderly, with healing in My wings, in My words, and all that I am, all that I do and say. I love you. I love you.

5. Raising up My people you are, raising up raisers of Me, healers, healers who know Me intimately, operate and abide by My value systems, touching My body, touching My all. I love you. I love to tell you I love you. I love you so much.

6. Thank you for coming, not letting Me be crowded out. So much to do, so much to say, so much to tell, so many to meet, so much to write about, but day after day you are here at My feet. Thank you.

7. Thank you for washing My feet and washing the feet of My body, placing eye salve on their eyes, breaking Me open to them, letting Me come in and sup with them and helping them come in and sup with Me; healing, maturing, intimacy-ing with the Father, Me—one with our body, one; bride—one. Thank you. I love you.

8. Arise in haste not, but peace. Peace, I have given you such peace. You know it, you really know it, you know it deeply. Grace, peace be upon you. Peace, My peace is upon you, My peace is upon My seekers of Me, My miners of Me. I love you.

9. Thank you for mining My words, My wisdom, My sinew and sinew-ing My body together to operate as one, as Me, one. Oneness is coming and you will see, you will see Me much more in the oneness, the unity of spirit that rests on the foundation of respect and honor and peace, knowing who you are and where you are going, where you came from—that you came through Me, that My design is upon you and now is released in each one of you, each one of you that will pay the cost to know Me in time, time, and the scourging out of things of not Me. I love you.

10. I love you for your blessing Me. I come and I call and I celebrate Me every time I am celebrated, and I celebrate you. And I thank you for My New Covenant spread before you. I thank you for taking Me and spreading Me out before My people, helping them open their eyes to see Me. I love you and I bless you.

11. Enjoy this day, the biscuits, the coffee, and elements all, that represent Me. I love you. Free Me more to let freedom ring. I love you and I ring in you now with joy and laughter, provisioned by only Me.

12. Worry not, fear not. Peace be upon you, peace is upon you, peace is your foundation—
Me.

I am peace, the King of Peace, King of Salem, King of all My body. I love you. I thank you and I give you Me. Thank you for Me-ing you more and more.

13. I come and I call and I confirm WeekWorks flourishes, and flourish My WeekWorkables I do—growing, growing, growing, grown, increasing in stature, in favor with God and man. Much good comes, many smiles, great favor, walk on tracing not back over past hurts, let Me ride, let Me soar with all who will. I love you.

14. The new model of church comes, leaders releasing leaders, leaders empowering leaders, leaders understanding what leadership is and the foundation of intercessionship that it rests on.

15. I leaderize My body and I lead you to many others in releasing the leadership that I have for My body, all who will embrace Me in My New Covenant, allowing Me to

correct, connect and sinew them across My body, My globe, My kingdom and more. I love you.

16. Leadership who exceeds you come, leadership that exceeds you will arise, even yet though you. Thank you for rejoicing in the leadership that excels you. I love you. I love you and I give you Me.

Now rejoice, I have given My body so much and I have waited so long. This is the day. This is the day. This is the day.

17. Go and rejoice, click you heels, smile and laugh and let no one deter your peace, deter you on your path, your plan to walk into Me fully where no man has gone.

I love you and I give you Me and I withhold nothing from you.

Amen.
